PROFILE

Bookkeeper with 7 years of QuickBooks experience (3+ years remote, US-based clients), backed by nearly 20 years in administration, procurement, and retail management. QuickBooks Online Certified ProAdvisor. Handle bank reconciliation, transaction categorization, and chart-of-accounts setup across multiple client companies, communicating directly with US teams with minimal oversight. Currently building n8n automation skills to extend bookkeeping work into scheduled reporting and workflow automation.

CORE SKILLS

- Bookkeeping & reconciliation — QuickBooks Desktop & Online, bank/credit card reconciliation, chart of accounts setup
- Healthcare payment processing — Remittance advice (VA CCN), payment posting, TriZetto
- Data entry & records management — Excel, Google Sheets, high-volume transaction entry
- Workflow automation (developing) — n8n
- Vendor, client & cross-team coordination
- Inventory, procurement & supply chain administration
- MS Office (Word, Excel) & Google Workspace (Sheets, Docs, Drive)

CERTIFICATIONS

QuickBooks Online Accountant Certification — Intuit, September 2026

EXPERIENCE

Freelance Bookkeeper — QuickBooks Desktop & Online (Remote)

2019 – Present

Contracted through a bookkeeping/accounting services company

- Maintain daily bookkeeping, recording transactions and reconciling accounts across QuickBooks Desktop and Online.
- Process VA CCN remittance advice and payment data for a US healthcare client using TriZetto, structuring data for QuickBooks entry and reporting.
- Set up chart-of-accounts structures and correctly classify non-standard entries — e.g., categorizing an intercompany loan as Notes Payable rather than income.
- Extract and reconcile bank statement data in Excel for retail clients, building consistent category conventions across reporting periods.
- Communicate directly with the contracting company and clients to resolve discrepancies and confirm reporting requirements, independently.

Self-Published Author — Amazon KDP

2026 – Present

- Publish and manage coloring and activity books on Amazon KDP; 10 titles live within the first 6 months.
- Handle the full cycle independently: concept, design coordination, formatting, and publishing.

Executive | Golden Group — Savoy Ice-Cream Factory Ltd, Dhaka, Bangladesh

Jan 2017 – Aug 2019

- Ran administrative operations, supply scheduling, and monthly procurement planning for a seasonal FMCG business.
- Tracked inventory through daily reviews and prepared management reports that kept budgets on target.

Assistant Manager, Admin | Golden Group — Golden Oil Mills Ltd, Dhaka, Bangladesh

Mar 2014 – Dec 2016

- Supported production, sales, and marketing teams administratively; wrote and implemented warehouse SOPs.
- Verified and documented stock levels regularly and made sure vendor payments went out on schedule.

Executive (Procurement & Sales) | Eastern Corporation, Dhaka, Bangladesh

2010 – 2013

- Built weekly, monthly, and quarterly procurement and sales plans, sourced materials from local markets.
- Grew and managed the vendor database while coordinating a direct sales team.

Administrative Assistant | Saudi Aramco Built Government Schools Division, Saudi Arabia (Khamis Mubarak Al-Dossery Trading Est. Ltd)

2001 – 2009

- Prepared and maintained invoices, reports, memos, and financial statements.
- Processed applications, receipts, and expense claims, checking each for accuracy before filing.
